DETAILED ACTION

Reasons for Allowance

[01] The following is an examiner's statement of reasons for allowance.

[01a] The independent claims new recite three tiers of character trains associated with voice commands. In accordance with Table 1 of the specification, these three tiers are hierarchical, wherein the first tier corresponds to one of a plurality of device; the second tier corresponds to functional commands for the device; and the third tier corresponds to operational command of the functional commands. Wang in view of Brant and Tvinneriem discloses "selection commands" and "control commands", but they are not organized in a three-tier hierarchy, as recited by claim 1, and a three-tier hierarchy would not be obvious to a person of ordinary skill.

[02] Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

[03] Any inquiry concerning this communication or earlier communications from the examiner should be directed to Philip R Smith whose telephone number is (571) 272 6087 and whose email address is philip.smith@uspto.gov. The examiner can normally be reached between 9:00am and 5:00pm.

[04] If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda Dvorak can be reached on (571) 272 4764.
